

Simos Mediterranean Food SAS

March 13th 2026

Our Company

- Simos Mediterranean Food sells the traditional & authentic Feta PDO to its Simos brand in France, Spain, Italy and Belgium since 2008.
- Our collaboration Several fully certified producers allows us to ensure traceability from A to Z.
- Our competitive advantage is based on quality, traceability and respect for tradition in the PDO, while offering a differentiating brand.

Today, thanks to our knowledge of Greek gastronomy, its products and its producers, we have developed, in association with a Greek dairy manufacturer, formats suitable for the distribution and marketing of Feta cheese PDO, Halloumi cheese PDO and Greek yoghurt .

Simos: Greek cheese specialist

Simos Specialties

- Specialized in the production of traditional & authentic products matured in oak barrels
- Specialized in organic products
- Simos is specialized in products for private labels (Trace One)
- As well as specialist of Cypriot Halloumi, in partnership for more than 10 years with the Cypriot leader, holding 25% of the market worldwide and a very wide range of products
- Partnering with one of the most reputed Greek producer, positions us as a major actor in the European Yoghurt market

Simos: Greek cheese specialist

Simos Competitive Advantages

- Know-how in production, control and quality
- Traceability
